in desperate peril. But the only way to free Sarah is for Connor to defeat the Shawnee warrior who kidnapped her—and claim her himself. Torn by tragedy from her sheltered life in London, Lady Sarah is unprepared for the harshness of the frontier—or for the attraction she feels toward Connor. When they reach civilization, however, it is she who must protect him. For if her uncle knew all that Connor had done to save her, he would surely kill him. But the flames of passion, once kindled, are difficult to deny. As desire transforms into love, Connor will have to defy an empire to keep Sarah at his side.

Pamela Clare brings her expert plotting, sizzling chemistry and thrilling adventure to her sweeping MacKinnon's Rangers series, in the grand tradition of *The Last of the Mohicans*, perfect for fans of Maya Banks, Monica McCarty and Zoe Archer. They were a band of brothers, their loyalty to one another forged by hardship and battle, the bond between these Highland warriors, rugged colonials, and fierce Native Americans stronger even than blood ties. Iain MacKinnon had been forced to serve the British crown, but compassion urged him to save the lovely lass facing certain death at the hands of the Abenaki. He'd defied his orders, endangered his brothers, his men and his mission, all for a woman. But when he held Annie's sweet body in his arms, he could feel no regret. Though he sensed she was hiding something from him, it was too late to hold back his heart. In love and war, there are times when the only course of action is... Surrender. Be swept away by the other sexy MacKinnon's Rangers in *Untamed and Defiant*. Or take a wildly romantic ride with Pamela Clare's I-Team: *Extreme Exposure*, *Hard Evidence*, *Unlawful Contact*, *Naked Edge*, *Breaking Point*, *Striking Distance*, *Seduction Game*.

Sometimes survival isn't just about staying alive... Widowed and alone on the frontier, Elspeth Stewart will do whatever it takes to protect herself and her unborn child from the dangers of the wilderness and of men. Though her youthful beauty doesn't show it, she is broken and scarred from the way men have treated her. So when a stranger wanders onto Bethie's land, wounded and needing her aid, she takes no risks, tying him to the bed and hiding his weapons before ministering to his injuries. But Bethie's defenses cannot keep Nicholas Kenleigh from breaking down her emotional walls. The scars on his body speak of a violent past, but his gentleness, warmth, and piercing eyes arouse longings in her that she never imagined she had. As Nicholas and Bethie reveal to each other both their hidden desires and their tortured secrets, they discover that riding the flames of their passion might be the key to burning away the nightmares of their pasts.

When he awakens sweet passion in a convent-bred French lass, Morgan MacKinnon finds himself cursing the war that's forced him to choose between upholding his honor and pledging himself to the woman he loves.

Reunite with the MacKinnon brothers and their wives for Christmas—and a tale of love, new life, and redemption. The war between Britain and the French is finally at an end, and the MacKinnons are looking forward to celebrating their first peacetime Christmas in five long years. While Iain and Annie have discovered that the pleasures of marriage grow deeper with time, Morgan and Amalie find themselves at bitter odds. Meanwhile, Connor and Sarah have a newborn son to cherish. The family's preparations for the holidays are interrupted when Iain learns that Britain has not paid the Rangers for the summer's victorious campaigns. Unwilling to let men who fought under the MacKinnon name suffer deprivation at Christmastime, Iain, Morgan, and Connor leave the warmth of their frontier farm for Albany. There, they find their happy Christmas, and even their freedom, at risk at the hands of a ruthless British officer who holds a grudge against them. With the men gone, Annie, Amalie, and Sarah do their best to prepare for the festivities despite differing traditions, a raging bull—and the gnawing fear that their husbands won't make it home for Yule. Events begin the day after the epilogue of *Defiant* ends. The story includes Joseph, Killy—and revelations about the fate of Lord William Wentworth.
