(Rob Stone ...

The Ares Virus is a wonderful read, but the  
grammar and punctuation mistakes tended to  
take me out of the story. As some of the  
reviewers said, it needs a good editor to  
make it a five star book. I think there were  
problems converting it to the Kindle format,  
also.

## Rob Stone Book Series - ThriftBooks

The Ares Virus could wipe out millions. The Aphrodite antidote could rescue the victims. The research facility which created both had just seen its manager killed in a suspicious car accident and Rob Stone was sent by the President to investigate. At the same time, one of the leading researchers overhears a plan to monetize both and make a fortune.
