The Dangerous Davies trilogy is a thoroughly enjoyable set of humorous tales about a policeman and his acquaintances set in a run down area of London. Davies invariably gets the jobs no one else wants or the mysteries that have long been discarded by the rest of the force.

The Complete Dangerous Davies:  
"Dangerous Davies ...

Dangerous Davies is a humorous  
character who lives in a world that is  
mostly good, somewhat sad, a bit  
evil, and almost entirely beyond his  
control. I was introduced to the  
character through the series called  
The Last Detective, with Peter  
Davison, and I think it was some of his  
best work.
