The Greater Journey: Americans in Paris is a 2011 non-fiction book by the Pulitzer Prize-winning author David McCullough. In a departure from McCullough's most recent works, Founding Fathers like Benjamin Franklin and Thomas Jefferson, who spent time in Paris, are not covered. Instead, the book is about 19th-century Americans like James Fenimore Cooper and Samuel Morse, who migrated to Paris and went on to achieve importance in culture or innovation.

A perilous sea voyage of 3000 miles lay ahead, but Holmes braved the Atlantic in the spring of 1833. Nothing could have prepared him for Paris, a city of 800,000 (four times the size of New York City) and the cultural center of Europe. How old things looked made a deep impression, as did the appalling poverty.

"The Greater Journey" is a sweeping history of Paris in the 19th century, yet it is also the story of many Americans who came there first to learn and eventually to give over in return. For them it was truly "the greater journey," but it is also for us too, a journey through history, through art, through medicine, and through the passion of the human soul.
