The Holy Book of Women's Mysteries: Feminist Witchcraft—

The Holy Book of Women's Mysteries is a seminal text that contains invaluable information on Dianic witchcraft and spells, including everyday magick, sabbat rituals, and divination methods; a section on how vegetarian theories and politics relate to witchcraft and the feminine aspect; and a good deal of information on goddesses and how the patriarchal religions distorted old myths to serve their own needs. There are several unique and beautiful Rites of Passage for women and men that you don ...

List of women in the Bible—Wikipedia

The Holy Book of Women's Mysteries is an essential read for all pagans, feminists and (dare I say) all spiritual women. This book is not about re-instating a matriarchy or tearing down patriarchy; it is about women's spirituality, and its relationship with politics and lifestyle. It educates the reader as to the reality of patriarchal and paternalistic society in which we live, and how it oppresses both women and men, spiritually and politically.
