As the statistics demonstrate, the tie bet is consistently the one where the house has a huge advantage over the player regardless of the number of decks in play. Whereas the bet with the lowest ...

Casino House Edge Explained - Understanding The House ...

Advantage gambling, or advantage play, refers to legal methods, in contrast to cheating in casinos, used to gain an advantage while gambling. The term usually refers to house-banked games, but can also refer to games played against other players, such as poker. Someone who practises advantage gambling is often referred to as an advantage player, or AP. Unlike cheating, which is by definition illegal, advantage play exploits innate characteristics of a particular game to give the player an advant
