The Ipress File's greatest asset is the performance of Michael Caine. In his first genuine lead role, he gives a masterclass in understatement, constantly reining himself in and resisting the urge...

~~The Ipress File (1965) — Rotten Tomatoes~~

The Ipress File – 1965 Furie This is a film I've seen before and has a perfect 100% on Rotten Tomatoes- but if you read through most of the praise—the praise is directed towards the intelligent (albeit dense) adaptation and narrative from of Len Deighton’s source material or/and the acting work from relative newcomer (this is before Alfie but after Zulu) Michael Caine as Harry Palmer.

The Ipress File was not only Len Deighton's first novel, it was his first bestseller and the book that broke the mould of thriller writing. For the working class narrator, an apparently straightforward mission to find a missing biochemist becomes a journey to the heart of a dark and deadly conspiracy. The film of The Ipress File gave Michael Caine one of his first and still most celebrated ...

~~The Ipress File- Amazon.co.uk- Deighton, Len ---~~

The Ipress File is one of those novels that, burnished by the passage of time and forgetfulness, is now considered to be a classic in its genre. It was supposedly quite the trendsetter back in 1962, taking on the themes of organizational betrayal using the voice of a working-class spy who has a chip on his shoulder regarding his betters.

The Ipress File is a magical title – it makes the middle '60s seem an even more fertile time for pop genre fun. Although we were gaga over James Bond at age twelve, and rabid collectors of the soundtrack albums (I can remember how UA records smelled), we certainly sampled the other spy offerings.
