The Lies That Bind by Emily Giffin I am going to apologize to all you book lovers right this very minute. I read this as an ARC, and so I did not deplete my book-buying budget on this hot mess. The authors' audacity in using 9/11 as a back-drop for this so-called romance was absurd and hurtful to those born before, say the year 1990. This book ...

It's revealed fairly early in the book that Jan is a liar, she lies about big things, she lies about inconsequential things. She's aware of this, yet acts affronted when people don't believe her. The book opens with Jan being shackled to a wall, her memory foggy. Then it flashes back to her arrival in Greece.
