The Lonely Tree is the first fictionalized account of the true story of the siege and fall of the Etzion Bloc settlements, south of Jerusalem. Seen through Tonia's evolving political, spiritual, and social sensibility, this period is brought to life in a compelling read that requires no prior familiarity with the time and place.

If you can see the Lonely Tree for what it really is, it's probably too late. This carnivorous organism hypnotizes anything that comes near, luring prey with hallucinations of their innermost desires. Once they draw near, the hallucinations turn to ceaseless dreams, while the roots consume the victim in their sleep.

The Lonely Tree Probably the most photographed tree here on Flickr it's the lonely tree of Wanaka! Living in Queenstown just across the mountain from Wanaka I always wanted to get some astro shots with this in the foreground (even if it meant wading out into the lake) but I never got round to it so a long exposure daytime shot had to do.

The Lonely Tree vividly recounts the experiences of Tonia Shulman, who is a small child when her family leaves Poland for British Mandate Palestine and a teenager when they move (against Tonia ' s strenuous objections) to an isolated kibbutz. Life on the kibbutz is dangerous and demanding, but its difficulties pale in the face of the growing Nazi presence that is consuming Europe – and the extended families they left behind.
