All college students understand the culture I speak of,  
and most understand it is their responsibility to  
uphold the values most dear to them. In ancient  
Confucian countries such as China, Korea, and Japan,  
merchants and money makers were looked down

The Culture of Money - Rice University  
Overview. The classic warts-and-all portrait of the  
1980s financial scene. The 1980s was the most  
outrageous and turbulent era in the financial market  
since the crash of '29, not only on Wall Street but  
around the world. Michael Lewis, as a trainee at  
Salomon Brothers in New York and as an investment  
banker and later financial journalist, was uniquely  
positioned to chronicle the ambition and folly that  
fueled the decade.
