The Philosophy of Existentialism Summary - eNotes.com

Gabriel Honoré Marcel was a French philosopher, playwright, music critic and leading Christian existentialist. The author of over a dozen books and at least thirty plays, Marcel's work focused on the modern individual's struggle in a technologically dehumanizing society. Though often regarded as the first French existentialist, he dissociated himself from figures such as Jean-Paul Sartre, preferring the term philosophy of existence or neo-Socrateanism to define his own thought. The Mystery ...

Gabriel Marcel - Wikipedia

One of the philosophers whom I remember reading (and probably not understanding) as an undergraduate was Gabriel Marcel. Jill Graper Hernandez introduces her article about him with the following words: The philosophical approach known as existentialism is commonly recognized for its view that life ' s experiences and interactions are meaningless.

The second aspect of secondary reflection involves a process of recovery, or what Marcel called, in The Philosophy of Existentialism, an assurance of the realm of mystery. Throughout Marcel ’ s work there is an attempt to reveal objective structures of human existence by means of the process of secondary reflection, a process that helps individuals to appreciate and recover defining human experiences.
