The Pursuit of Immortality: From the Ego to the Soul **The Pursuit Of The Soul**

About The Pursuit of the Soul One of the most striking features of contemporary psychology is the return of language of the 'soul' in contemporary discourse. In this original analysis Dr Peter Tyler investigates the origins and use of 'soul-language' in the Christian tradition before turning his attention to the evolution and preoccupations of modern psychoanalysis.

Plato believed that the soul prepared to be released from the body by the practice of philosophy. He also had a concept of nous, a larger “world soul” not present within Christian tradition. Tyler then goes on to survey briefly the ways in which the soul functions in the major Platonic dialogues including the Phaedrus, the Republic, and the Timaeus.

Be Fearless in the Pursuit of What Sets Your Soul on Fire. Life is all about the choices you make, and while the easy choices might not necessarily always lead you to where you want to go, it is the difficult choices that define your character. People often decline to make tough choices and follow the easy path because of fear.
