**Kit Davenport Series by Tate James - Goodreads**  
The story continues in The Tigers Ambush and Kit and the boys discover more about what she is and what they are. The action continues as does the romance and the steam factor gets high. For a fairly new author Tate James is doing an amazing job of telling a rich, multi dimensional story that will suck you in and drag you along for the ride and nowhere along the way are you going to want to get off it.
