REALIDADES is a Standards-based middle school and high school Spanish program that combines language proficiency and cultural understanding. The program integrates research-based communication strategies, support for differentiated instruction, engaging technology, and a personalized learning management system (realidades.com) to make the program real for today's Spanish students.

Panorama, 4th Edition is an introductory Spanish program offering 15 contemporary, thematic lessons to introduce students to an extensive view of the Spanish-speaking world. Its fresh, student-friendly approach, effective integration of video, and powerful online tools lead students to effective personalized communication.

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

A " colorful family saga " set against the dramatic historical backdrop of twentieth-century Puerto Rico, from an author nominated for the National Book Award (Kirkus Reviews), Elvira Vernet narrates Eccentric Neighborhoods as she attempts to solve the mystery of who her parents truly are. Her mother, the beautiful and aristocratic Clarissa Rivas de Santillana, was born into a rarefied world of privilege, one of five daughters on the family ' s sugar plantation. Elvira ' s father, Aurelio Vernet, and his three brothers and two sisters were raised by Santiago, a Cuban immigrant who ruled his family with an iron hand. As Puerto Rico struggles for independence—and Aurelio takes his place among the powerful political gentry—a legacy of violence, infidelity, faith, and sacrifice is born. Set against the backdrop of a country coming of age, Eccentric Neighborhoods is a lush, transcendent novel, a family saga about mothers and daughters, husbands and wives, parents and children. In this magnificent follow-up to The House on the Lagoon, Rosario Ferr é delivers a work of historical fiction influenced by magical realism and infused with forgiveness and love.
