You’re at war. Are you winning? Your fight is not with the problems you can see—depression, a broken marriage, addiction, or financial troubles. These are just the symptoms, the true disease—the true battle—is against the devil and his armies. But the devil’s not afraid of mere humans like you and me. So how are we supposed to fight? More importantly, how are we supposed to win? Warfare is a guide to fighting the battles that matter. In it, you’ll learn: to identify how spiritual warfare is impacting your soul, family, church, and culture, who the armies are and what role they play—God, angels, demons, and the devil how to use the arsenal of spiritual weapons God provides how to claim the victory God has already won. When we fight the right battles with the right weapons, fear gives way to courage, futility gives way to purpose, and failure gives way to victory.

The Bible is explicit: We live in a world of distinct opponents; our very lives are a battle. Yet too many Christians lose more battles than they win and endure their walk with God rather than enjoy it because they don't recognize the enemy when they see it. More importantly, they have no idea how to respond. While society tells us we can react simply, the truth is that a wish, a hope, and a prayer are not the best responses to attacks from those who stand between us and the Father. Christians must be strategic in their reactions to these clearly defined enemies, learning how to fight biblically and effectively rather than just sincerely. In Spiritual Warfare, Dr. Karl Payne - pastor of Leadership Development and Discipleship at Antioch Bible Church and Chaplain for the NFL's Seattle Seahawks - has written a guidebook for defense that is simple, biblical, and transferable. Through his teaching on how to recognize and resolve attacks from the world, we learn that we are more than conquerors in Christ.
